Stalinorgel

Sodom

Declaration of war by a madman
Offensive in blizzards and fog
Opening of the conflagration
Thrust to the hostile frontSnowed up Russian winter
There's nothing shining bright
Resistance in December
Against the deadly lightStalinorgel
Carry the war into the enemy's camp
StalinorgelStalinorgel
Vomiting fire, infernal thunder
StalinorgelPugnacity and national defense
Grim struggles hand to hand
Curtain of fire at the frontline
Capitulation and retreat out of this landSnowed up Russian winter
There's nothing shining bright
Resistance in December
Against the deadly lightStalinorgel
Carry the war into the enemy's camp
StalinorgelStalinorgel
Vomiting fire, infernal thunder
StalinorgelStukas dived to bring is mortal dreed
Bombs fell down as rain
Explosions shook the ground
Debris has buried the dead againStalinorgel, Stalinorgel
Stalinorgel, StalinorgelWaiting for the painful decision
Senseless action of Germans on and on
Only suicides delivered is from suffering
What does the future have in store?Bombenhagel, bombenhagel
Bombenhagel, bombenhagel
