The Rainbow Song

Barney

Oh I like red it's the color of an apple
Orange it's the color of an orange
Yellow its a lemon and a wonderful sun sun sun
Green its the color of the trees and lots of things that grow
And then theres blue for the sky
And purple that's a color that's fun fun fun
And when you put those colors side by side
Now what do you think we've done
We've made a rainbow (3X)
And it's a really beautiful one!
