

# Sail On Sailor

## Mustard Seed Faith

Sailin? over the ocean  
In search of life?s mysteries  
Torn by tears and fears, forgotten dreams  
And rusty memories

Sail on, sailor  
Til you find what it is you?re lookin? for  
Trim your sails and turn your ship around  
To the Lord

So many ports you?ve seen  
And still your search goes on  
Hoping that you?d find your way  
But loneliness and pain are all you?ll ever find  
Until your captain is the Lord

Sail on, sailor  
Til you find what it is you?re lookin? for  
Trim your sails and turn your ship around  
To the Lord

Sail on, sailor  
Til you find what it is you?re lookin? for  
Trim your sails and turn your ship around  
To the Lord
