Love Sex Soul

RADIORADIO

Love,
I don't get enough I don't give enough.
Sex,
Are you ready or not I got what you want.I need love, sex, soul, sustenance, time, place, blind reverence.
there's nothin' I won't ask of you, I won't ask of youTime,
I wanna give it to you love.
Touch,
me in the same place every time, oh every time.I need love, sex, soul, sustenance, time, place, blind reverence.
there's nothin' I won't ask of you, I won't ask of you.I need love, sex, soul, sustenance, time, place, blind reverence.
there's nothin' I won't ask of you, I won't ask of you.Oh I...Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday!I need love, sex, soul, sustenance, time, place, blind reverence.
there's nothin' I won't ask of you, I won't ask of you.Oh I...
I need your love
