

Just Give Me A Reason (Feat. Nate Ruess)

[Pink](#)

Right from the start you were a thief, you stole my heart
And I your willing victim
I let you see the parts of me that weren't all that pretty
And with every touch you fixed them Now you've been talking in your sleep, oh-oh
Things you never say to me, oh-oh
Tell me that you've had enough of our love, our love Just give me a reason, just a little bit's enough
Just a second, we're not broken just bent, and we can learn to love again
It's in the stars, it's been written in the scars on our hearts
We're not broken, just bent, and we can learn to love again I'm sorry I don't understand where all of this is
coming from
I thought that we were fine (Oh, we had everything)
Your head is running wild again, my dear, we still have everythin'
And it's all in your mind (Yeah, but this is happenin')
You've been havin' real bad dreams, oh-oh
Used to lie so close to me, oh-oh
There's nothing more than empty sheets between our love, our love
Oh, our love, our love Just give me a reason, just a little bit's enough
Just a second, we're not broken just bent, and we can learn to love again
I never stop, you're still written in the scars on my heart
You're not broken, just bent, and we can learn to love again Oh, tear ducts and rust, I'll fix it for us
We're collecting dust, but our love's enough
You're holding it in, you're pouring a drink
No, nothing is as bad as it seems, we'll come clean Just give me a reason, just a little bit's enough
Just a second, we're not broken just bent, and we can learn to love again
It's in the stars, it's been written in the scars on our hearts
That we're not broken, just bent, and we can learn to love again
Just give me a reason, just a little bit's enough
Just a second, we're not broken just bent, and we can learn to love again
It's in the stars, it's been written in the scars on our hearts
That we're not broken, just bent, and we can learn to love again Oh, can learn to love again
Oh, can learn to love again, oh-oh
That we're not broken, just bent, so we can learn to love again
