# Touch

## Andy Bell

I hate all these people where do they come from?
Every time they talk it's like they're banging a drum
I just keep on working keep my head down low
Don't wanna be a loser on a small time showDon't wanna be a loser on a Saturday night
Don't wanna be a loser who's afraid of the lightSo wake up
Open you eyes
Reaching out
Touch the magic
Let the light
Come out of the dark
Turn around
Touch the magic
Of course I wanna see you on a Saturday night
Don't wanna be a creature who's afraid of the light
The more I see the less I like it bugs me more
Don't wanna be the reason for the girl next doorDon't wanna be a loser keep my head down low
Don't wanna be a loser on a small time showSo wake up
Open you eyes
Reaching out
Touch the magic
Let the light
Come out of the dark
Turn around
Touch the magic
So wake up
Open you eyes
Reaching out
Touch the magic
Let the light
Come out of the dark
Turn around
Touch the magicDon't wanna be a loser on a Saturday night
Don't wanna be a loser who's afraid of the light
Don't wanna be a creature keep my head down low
Don't wanna be a loser on a small time show
