This Time Baby

The O'Jays

I've got love on my mind
Ain't no use in me wastin' time
I've got you on my brain
I ain't fixin' to play no gamesBaby, you're my life
Give me one more chance to prove my love
Baby, you're so fine
I promise to be true only to youThis time, this time, baby
We won't be in and out of love
In and out, baby
This time, this time, baby
We won't be in and out of love
In and out, baby, yeah
I've been selfish at times
Always tryin' to blow your mind
Usin' you was so easy
Girl, I used you a thousand timesBaby, you're my life
Give me one more chance to prove my love
Baby, you're so fine
I promise to be true only to youThis time, this time, baby
We won't be in and out of love
In and out, baby
This time, this time, baby
We won't be in and out of love
In and out, baby, yeahBaby, you're my life
Give me one more chance to prove my love
Baby, you're so fine
I promise to be true only to you
This time, this time, baby
We won't be in and out of love
In and out, baby
This time, this time, baby
We won't be in and out of love
In and out, babyThis time, this time, baby
We won't be in and out of love
In and out, baby
This time, this time, baby
We won't be in and out of love
In and out, babyThis time, this time, baby
We won't be in and out of love

In and out, baby
This time, this time, baby
We won't be in and out of love
In and out, baby
