

4 Seasons of Loneliness

Boyz II Men

Oh yea oh oh oh

I long for the warmth of days gone by when you were mine

But now those days are memories in time

Life's empty without you by my side

My heart belongs to you, no matter what I try When I get the courage up to love somebody new

It always falls apart 'cause they just can't compare to you

Your love won't release me, I'm bound under ball and chain

Reminiscing our love as I watch 4 seasons change In comes the winter breeze that chills the air and drifts the snow

And I imagine kissing you under the mistletoe

When springtime makes it's way here

Lilac blooms reminds me of the scent of your perfume When summer burns with heat, I always get the hots for you

Go skinny dippin' in the ocean where we used to do

When autumn sheds the leaves, the trees are bare

When you're not here, it doesn't feel the same Remember the nights when we closed our eyes

And vowed that you and I would be in love for all time Anytime I think about these things I shared with you

I break down and cry 'cause I get so emotional

Until you release me I'm bound under ball and chain

Reminiscing our love as I watch 4 seasons change In comes the winter breeze that chills the air and drifts the snow

And I imagine kissing you under the mistletoe

When springtime makes it's way here

Lilac blooms reminds me of the scent of your perfume When summer burns with heat, I always get the hots for you

Go skinny dippin' in the ocean where we used to do

When autumn sheds the leaves, the trees are bare

When you're not here, it doesn't feel the same This loneliness has crushed my heart

Please let me love again

'Cause I need your love to comfort me and ease my pain

Or 4 seasons will bring the loneliness again In comes the winter breeze that chills the air and drifts the snow

And I imagine kissing you under the mistletoe

When springtime makes it's way here

Lilac blooms reminds me of the scent of your perfume When summer burns with heat, I always get the hots for you

Go skinny dippin' in the ocean where we used to do

When autumn sheds the leaves, the trees are bare

When you're not here, it doesn't feel the same

Remember the warmth of days gone by
