

My One And Only

Fred Astaire

My one and only,
What am I gonna do if you turn me down
When I'm so crazy over you'd be so lonely
Where am I gonna go if you turn me down
Why blacken all my skies of blue I tell you I'm not asking any miracle
It can be done, it can be done
I know a clergyman who will roll lyrical
And make us one, and make us one So my one and only
There isn't a reason why you should turn me down
When I'm so crazy over you To show affection in your direction
You know I'm fit and able
I more than merely love you sincerely
My cards are on the table Say there must be lots of other men you hypnotize
All of a sudden I've begun to realize
As follows My one and only
If you turn me down
When I'm so crazy over you
I'd be so lonely
If you turn me down
Why blacken all my skies of blue I tell you I'm not asking any miracle
I know a clergyman who will roll lyrical Oh my one and only
If you turn me down
When I'm so crazy over you
