

Breaking Us In Two

[Mandy Moore](#)

Don't you feel like trying something new?
Don't you feel like breaking out
Or breaking us in two?
You don't do the things that I do
You want to do the things I can't do
Always something breaking us in two But you and I could never live alone
But don't you feel like breaking out
Just one day on your own
Why does what I'm saying hurt you
I didn't say that we were through
Always something breaking us in two They said two hearts should beat as one for us
We'll fight it out to see it through
I say that you won't be too much fun for us
Though it's oh, so nice to get advice, it's oh, so hard to do They said two hearts should beat as one for us
We'll fight it out to see it through
I say that you won't be too much fun for us
Though it's oh, so nice to get advice, it's oh, so hard to do
