Let It Out (feat. Snoop Dogg)

Charlie Wilson

Advisory - the following lyrics contain explicit language:

Let It Out[Snoop]
Aye Aye Aye check game baby
Room 110 yeah we got a penthouse suite
Snoop Dogg and Charlie (uh) Wilson
O ooh ooh ooh ooh o o (yeah)
O ooh ooh ooh ooh (baby girl come on) o uh oh (Come on, uh)[Charlie]
It's getting late you said you wanna leave u need to break away (oh oh oh)
Oh what ya waiting for, quit procrastinating let's just hit the door.
[Pre-Chorus]
Put it on me tell your friends. Here go the key, room 110
Whatever you ask for you can be sure I'll do that and more (more)[Chorus]
Say you want it I can take you there
Work your body now don't be scared
Baby you can let it out (you can let it out)
Just say that you you you you you you you you
You want it in (you can let it out)[Charlie]
You sexy thang forget about your problems let it blow away (I'm just what you need)
So go ahead and breathe, spread your wings and set yourself free. You can take it out on me.[Pre-Chorus] (if you want it you can)
Put it on me tell your friends. Here go the key, room 110
Whatever you ask for you can be sure I'll do that and more (more)[Chorus]
Say you want it I can take you there
Work your body now don't be scared
Baby you can let it out (ooh you can let it out)
Just say that you you you you you you you you
You want it in (you can let it out)[Change]oh
Cause ain't nobody doing it the way that girl do (the way that you do)
Don't nobody know the stress that you come from (come too)
And with me you can let your guard down
Go ahead and be sad, let your stress out on me[Snoop]
So I gotta get up early, give her what she want in me
Can't nobody give it to ya like the D.O. double G

Baby baby how you feel, real is real and fake is fake
Time is time, what's yours is mine and mines in yours
Let's get this K
Go with it slow fo fitty, Do it so good say no he did it
A touch of love, I'm trying to give it to you til you say that's some love
All them other dudes gone pass em up. Get in where you fit in spectacular
I heard about, word of mouth (hey) go ahead and turn it out[Pre-Chorus]
Put it on me tell your friends. Here go the key, room 110
Whatever you ask for you can be sure I'll do that and more (more)[Chorus]
Say you want it I can take you there
Work your body now don't be scared
Baby you can let it out (you can let it out)
Just say that you you you you you you you you
You want it in (you can let it out)[Vamp]
You can let it out on me yeah yeah yeah
You can let it out on me yeah yeah yeah
Oh
