Advisory - the following lyrics contain explicit language:

Been given 24 hours to tie up loose ends to make amends
His eyes said it all, I started to fall
And the silence deafened
Head spinning round, no time to sit down
Just wanted to run and run and run
Be careful they say, don't wish life away
Now I've one day And I can't believe, how I've been wasting my time In 24 hours they'll be laying flowers on
my life
It's over tonight
I'm not messing, no I need your blessing
And your promise to live free, please do it for me Is there a heaven, a hell and will I come back who can tell
Now I can see what matters to me
It's as clear as crystal
The places I've been, the people I've seen
Plans that I made start to fade
The sun's setting gold, thought I would grow old
It wasn't to be And I can't believe, how I've been wasting my time In 18 hours they'll be laying flowers on my
life
It's over tonight
I'm not messing, no I need your blessing
And your promise to live free, please do it for me In 13 hours they'll be laying flowers on my life
It's over tonight
I'm not messing, no I need your blessing
And your promise to live free, please do it for me I'm not alone, I sense it, I sense it
All that I said, I meant it, I meant it And I can't believe, how much I've wasted my time In just 8 hours they'll be
laying flowers on my life
It's over tonight
I'm not messing, no I need your blessing
And your promise to live free, please do it for me In just 1 hour they'll be laying flowers on my life
It's over tonight
I'm not messing, no I need your blessing
And your promise to live free, please do it for me
