Surrender (feat. Jimi Cravity)

Passion

You're every beat of my heart
And every breath in my lungs
Is Your's
Lord, everyday of my life
And every dream in my mind
Is Your's

From glory to glory
I am transformed in Your image
From glory to glory
The blood has bought my redemption

And I, I surrender
I surrender, I surrender

Lord, I am a vessel here
I'll be Your's now
The earth, the earth
Lord, let Your kingdom come
And let Your will be done
Make me Your witness

From glory to glory
I am transformed in Your image
From glory to glory
Your blood has bought my redemption

And I, I surrender
I surrender, I surrender

And I, I surrender
I surrender, yes surrender
