Talk Show Host

Flickerstick

I can't describe the pressure of the hype
Another show they'll have your vein opened up again
But it's all the same they way they sell the game
Sucking out the feeling so you'll never win
Overload...in stereo...I'm sweating like a talk show host tonight
Overload...in stereo...I'm sweating like a talk show host tonightDespite the high that tends to come out live
The repetition seems to grab the flare away
The radio it seems so shady oh
I'll never hear myself just quite the same againOverload...in stereo...I'm sweating like a talk show host tonight
Overload...in stereo...I'm sweating like a talk show host tonightI'll see you on the way down
(repeat 3 more times)Overload...in stereo...I'm sweating like a talk show host tonight
Overload...in stereo...I'm sweating like a talk show host tonightTonight
Tonight
Tonight
Tonight
