

# Talk Show Host

## Flickerstick

I can't describe the pressure of the hype  
Another show they'll have your vein opened up again  
But it's all the same they way they sell the game  
Sucking out the feeling so you'll never win  
Overload...in stereo...I'm sweating like a talk show host tonight  
Overload...in stereo...I'm sweating like a talk show host tonightDespite the high that tends to come out live  
The repetition seems to grab the flare away  
The radio it seems so shady oh  
I'll never hear myself just quite the same againOverload...in stereo...I'm sweating like a talk show host tonight  
Overload...in stereo...I'm sweating like a talk show host tonightI'll see you on the way down  
(repeat 3 more times)Overload...in stereo...I'm sweating like a talk show host tonight  
Overload...in stereo...I'm sweating like a talk show host tonightTonight  
Tonight  
Tonight  
Tonight
