

New Love

Gavin DeGraw

I thought that you were over with it
Told me it was time to quit it
And now you're saying you regret it
Just a little late
So listen, I was really in love
Then I went and found a new drug
Something that was legal enough
Just a little late One more time I tell you so you know that this is real
One more time I tell you so you know just how I feel
I fill you in
I got a new love, oh what a fase
Holding it down, she's running the place
I got a new love, talk of the town
I, I, I said it now
I got a new love, just couldn't wait
All of my friends are calling it fate
I got a new love you might have met
I, I, I'm saying it You make me feel like going insane
Call me every cuss you can name
Now you want it back in the game
Just a little late
Some people never learn how to cope
Think everything will come that they hope
Sorry but the answer is no
Just a little late One more time I tell you so you know that this is real
Well I said one more time I tell you so you know just how I feel
I fill you in
I got a new love, oh what a fase
Holding it down, she's running the place
I got a new love, talk of the town
I, I, I said it now
I got a new love, just couldn't wait
All of my friends are calling it fate
I got a new love you might have met
I, I, I'm saying it Got a new love
Got a new love You're gonna need to know me to know that means no (that means no)
So you don't, no you don't need to know
But you keep asking me, begging me
Baby please be careful what you wish for

This will only hurt you more
I got a new love, oh what a fase
Holding it down, she's running the place
I got a new love, talk of the town
I, I, I said it now
I got a new love, just couldn't wait
All of my friends are calling it faith
I got a new love you might have met
I, I, I'm saying it
I got a new love you might have met
I, I, I'm saying it
