Sleestak

Fu Manchu

Super Casanova
He's on the road again
Eye'n the sheep honey
Won't you be my friend?
Sign up ahead, it read
Stop and start againHere she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchinCement peelin' and Im feelin'
Road hoggin it
Foots itchin and Im missin'
Gotta run again
With a head of gold, Im told
Rubber leggin itHere she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchinHere she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchin
