How Could I Love You More

Minnie Riperton

(m. riperton r. rudolph)My love is bigger than the sun
How could I love you more
Darling it can't be done
My love is stronger than the tide
How could I love you more
No one could even tryYou have sailed into my dreams
So many time
Calling me to fly away
And now I wake to romantic fantasies
The dream is real
And you are mineI will love you till I die
Till the stars fall from the skies
Till the oceans all run dry
How could I love you more
How could I love you more
How could I love you more
How could I love you more
