Summer Gurl

Dinosaur Pile-Up

Yeah I've been at work
I've been working all day
I eat the dirt
Just so I can get paid
I met a girl
Said 'Call me Summer' alright
She makes me feel like I can leave it behindNow Summer's here
I can leave it behind
Now Summer's here
Yeah I've been feeling alright
Yeah I've been at home
Yeah I've waited all day
Spend time on my own
'Cos I got nothing to say
I met a girl
Said 'call me Summer' alright
Drives a gold beetle
Picks me up around ninenow summer's here
I can leave it behind
Now summer's here
Yeah I've been feeling alrightShe drives me wild
Arms open wide
K-kick back style
She don't get tired
Now summer's here
I can leave it behind
Now summer's here
Yeah I've been feeling alright
Now summer's here
Now summer's here
Now summer's here
