

# Heartbreaker

## Coalesce

Hey fellas, have you heard the news?  
That Annie's back in town  
Won't take long, just watch and see  
How the fellas lay their money down  
Her style is new but the face is the same  
As it was so long ago  
From her eyes, a different smile  
Like that of one who knows  
It's been ten years and maybe more  
Since I first set eyes on you  
The best years of my life gone by  
I am here alone and blue  
Some people cry and some people die  
By the wicked ways of love  
But I'll just keep on rollin' along  
With the grace of the Lord above  
People talkin' all around  
'Bout the way you left me flat  
I don't care what the people say  
I know where their jive is at  
One thing I do have on my mind  
If you can clarify, please do  
It's the way you call me by another guy's name  
When I try to make love to you  
Work so hard, I can not unwind  
To get some money saved  
Abuse my love a thousand times  
However hard I tried  
Heartbreaker, your time has come  
Can't take your evil way  
Just go away, heartbreaker, yeah  
Heartbreak, heartbreaker
