

# Sexual Athletics

## Ariel Pink

They call it sexual athletics  
It doesn't rhyme with anything  
That's why I'm the sex king  
Sex king on a velvet swing  
Waiting for my Alice in Wonderland  
To come along and knock upon my door  
If I'm who you were waiting for  
Cause I'm a sexual athlete

Yeah, that's right  
I'm a sexual athlete  
I'm sweet  
Eat raw meat  
Don't admit to defeat  
Some say it's bittersweet

Gimme a S-E-X-U-A-L  
Sexual uh Sexual uh  
Gimme a S-E-X-U-A-L  
Sexual uh Sexual uh

What kinda sex are you talkin' about  
It's time that we scream and shout  
(Hey!)

Let's go to the emotional Olympics!  
(Boo!)

Ok

Sexual ugh

Sexual athletics, sexual athletics  
Sexual diversion, don't call it perversion

And all I wanted was a girlfriend all of my life  
But she's too sexual

Sexual athletics for the lucky ones
