

# Fields Of Fire

## The Murder City Devils

1, 2

1, 2, 3, 4 Between a father and a son  
Between the city and the one  
Before the teacher and the test  
Before the journey and the rest The shining eye will never cry  
The beating heart will never die  
The house on fire holds no shame  
I will be coming home again Four hundred miles  
Without a word until you smile  
Four hundred miles  
On fields of fire Between a woman and a boy  
Between a child and his toy Between a woman and a boy  
Between a child and a toy  
Before the falling of the West  
Before the journey and the rest Four hundred miles  
Without a word until you smile  
Four hundred miles  
Without a word until you smile  
Four hundred miles  
On fields of fire
