OPM

{Yo
What's up
What's up dog
What's up homeboy so you got those sweaters huh
That's right
What's the quality of the fabric
It's the finest
Alright when you wanna do this
Whenever's clever}{Soon as you get here boo
I'm on my way
Word I been waitin' for that shit
Okay hurry up
You got it man
Alright homeboy later
Carry on}Now I got a fine ass Heina but she dont give me no love
And I got homeboys true but they dont always come through
Because of how I talk and dress, they always give you so much stress
No matter what I say or do they treat me like a fucking foolBut I get much love from my dealerman
Always comin' through with the herbal plan
I get much love from my dealerman
Always comin' through, oh yeahI got bills to pay and they wont never go away no
So I work all day long and my boss treats me so wrong, yeah
Because of how I talk and dress, they always give you so much stress
No matter what I say or do, they treat me like a fucking foolBut I get much love from my dealerman
Always comin' through with the herbal plan
I get much love from my dealerman
Always comin' through, oh yeahYou see it's worth it's weight in gold and I got a ton
Yeah I'm the dealerman that's my vocation
They call it madness 'cause that shit's no joke
Got the whole damn planet goin' up in smokeNow I got a fine ass Heina but she don't give me no love, no
And I got homeboys true but they dont always come through
Now because of how I talk and dress, they always give me so much stress
No matter what I say or do they treat me like a fucking foolWell I get much love from my dealerman
Always comin' through with the herbal plan
I get much love from my dealerman
Always comin' through, ohI get much love from my dealerman
Always comin' through with the herbal plan
I get much love from my dealerman
Always comin' through, oh yeah
