

# I Need Love ('95 Remix)

[Sandra](#)

I need  
I need love I don't wanna be alone tonight  
Don't wanna see the morning light  
The only thing I need is love I need  
I need love Baby I miss you so  
Baby I need you  
And I miss you so  
My heart beats like crazy  
I need love  
Reach out and feel me  
I need love
