

Each Time You Fall In Love

Cigarettes After Sex

Each time you fall in love
It's clearly not enough
You sleep all day and drive out in LA
It isn't safe And each time you kiss a girl
You never know what it's worth
You say all of the words they wanna hear
It isn't real She took you for a ride in summer baby
Lost all your money to her
All I wanna know is if you love her
How come you never give in? Each time you have a dream
You never know what it means
You see that open road
And never know which way to go And each time you fall in love
It's clearly not enough
You sleep all day and drive out in LA
It isn't safe
She took you for a ride in summer baby
Lost all your money to her
All I wanna know is if you love her
How come you never give in?
