Rinse

Vanessa Carlton

She'd do anything to sparkle in his eye
She would suffer, she would fight, and compromise
She's been wishin' on the stars that shine so bright
For answers to questions that will haunt her tonightShe must rinse this all away
She can't hold him this way
She must rinse this all away

She can't love him this wayHow she'd be soothed, how she'd be saved if he could see She needs to be held in his arms to be free

But everything happens for reasons that she will never understand
Until she knows that the heart of a woman
Will never be found in the arms of a manShe must rinse this all away
She can't hold anybody this way
She must rinse this all away

And she can't love himAnd if she runs away she fears she won't be followed

What could be worse than leaving something behind?

And as the depth of oceans slowly become shallow

as she finds, if only he was mine Sheld do enything to specific in his of

It's loneliness she finds, if only he was mineShe'd do anything to sparkle in his eye She would suffer, she would fight and compromise

She's been wishin' on the stars that shine so bright

For answers to questions that will haunt her tonightShe must rinse him

She must rinse him

She can't rinse him

She can't rinse himShe can't, she won't, she must rinse him She can't, she won't, she must rinse him

> She must rinse this all away She can't hold him this way She must rinse this all away She can't love him this way
