Sisters' Chant

Judy Mowatt

chorus
oh jah oh jah let the sisters walk with thee
oh jah oh jah let us communicate with thee
in these times mmhmm this trouble we see
temptation frustration desolation
is a heartache/haunting out here
temptation frustration desolation
is a heartache/ haunting out here

little children little babies to feed
oh jah we're always in need
show us the light to do everything that's right
help us to fight when the brothers, they're out of sight
so oh oh oh
chorus

in these times theres people
we know its the time to separate the wheat from the weevil
hear us god when we call
cause if we slip we might fall
so oh listen
