

# Catch Me

Demi Lovato

Before I fall too fast  
Kiss me quick, but make it last  
So I can see how badly this will hurt me  
When you say goodbye Keep it sweet, keep it slow  
Let the future pass, and don't let go  
But tonight I could fall too soon  
Under this beautiful moonlight But you're so hypnotizing  
You've got me laughing while I sing, you've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling, but please don't catch me See this heart won't settle down  
Like a child running scared from a clown  
I'm terrified of what you do  
My stomach screams just when I look at you Run far away so I can breathe  
Even though you're far from suffocating me  
I can't set my hopes too high  
'Cause every hello ends with a goodbye But you're so hypnotizing  
You've got me laughing while I sing, you've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling, but please don't catch me So now you see why I'm scared  
I can't open up my heart without a care  
But here I go, it's what I feel  
And for the first time in my life I know it's real But you're so hypnotizing  
You've got me laughing while I sing, you've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling so please don't catch me If this is love, please don't break me  
I'm giving up so just catch me
