# Kiss My Ass

## Rotten Bone Of a Dead Frog

Telegram for Mr Billary...
C'mon baby,
Yeah, big ol' wet one...hey!
Kiss my ass,
Kiss my ass, (c'mon, everybody ought'a)
Kiss my ass, (tastes pretty good)
Kiss my ass. (oh...)
Don't waste your time on me
I got my own direction
Watch me close, wait and see
I'm lookin' for perfection
I make up my own mind
And I'll leave you far behind
When the goin' gets tough
You can kiss my ass
I believe in animal rights
I let my dog hump on my shin
I can tolerate sexual choice
But not with the next of kin
I've heard it all before
I ain't gonna take any more
When the goin' gets tough
You can kiss my ass
Everybody!
Kiss my ass, (pucker up)
Kiss my ass (make it wet!)
Kiss my ass (hold the tongue!)
Kiss my ass, (c'mon babe)

I've heard it all before
I ain't gonna take no more, no no
When the goin' gets tough
You Can Kiss my ass!
I see the weenies with the dirty hair
Protestin' on the street
They condemn the clothes we wear
And the morality of what we eat, yeah
It's gotta be a fluke
They make me wanna puke

When the goin' gets tough
They can kiss my ass
Everybody gotta
Kiss my ass - C'mon gang bangers
Kiss my ass - Janet Reno
Kiss my ass - C'mon Billary
Kiss my ass - Callin' ol Jesse Jackson
Kiss my ass - How about the IRS
Kiss my ass - Hey, Howard Stern
Kiss my ass - United Nations
Kiss my ass - All those Liberals
Kiss my ass - C'mon Sarah Brady
Kiss my ass - Oh, Courtney Love I've got your hole
Kiss my ass - Beavis, Butthead
Kiss my ass - How about Crips and Bloods
I've heard it all before
And we ain't gonna take it no more
When the goin' gets rough
When the goin' gets rough
When the goin's to tough
They oughta' KISS MY ASS!
