Love Divine

New Life Worship

From the dawn of time
Before the world began
You were the Savior
Sent to live a life
Inside our brokenness
You were the SaviorYou gave Your crown
Put on our weakness
Your life laid down
Our wounded Healer
This is love
This is love divine
Overcome by light
The great redemption
You are the Savior
Won the keys to life
And placed them in our hands
You are the SaviorBe exalted oh God
Be exalted oh God
Death defied, the grave denied
This is love divine
Saints and angels rejoice
You oh God our living Hope
You're alive, You're alive
This is love divine
This is hope, this is hope
You are Hope, You are Hope
This is love, this is love
You are Love, You are Love
