

(Girl) I Love You

The Temprees

I love you, yes i do

I love you, yes i do

I love you, yes i do

I love you, yes i do

I love the way you wear your hair (wear your hair)

i love anything you wear

i love you, need you, want you girl

cause your so true

hey, i love you for who you are
your the girl my love's been waiting for
and i love all the words you say
and i love you more and more each day

i love you, need you, want you girl

cause your so true

your the one that ill forever love

what's mine is always yours

love you (i love you), need you (i need you girl), want you (ohh)

your so true (ohh baby)

i love you, yes i do

ohh i love, yes i do

i love the way you wear your hair

ohh love everything you wear

ohh love every word you say

yeah love you more and more each day

ohh love
