

# Reminder

## The Weeknd

[Verse 1]

Recommend play my song on the radio  
You too busy trying to find that blue-eyed soul  
I let my black hair grow and my weed smoke  
And I sweat too much on the regular  
We gone let them hits fly, we gone let her go  
If it ain't XO then it gotta go  
I just won a new award for a kids show  
Talking 'bout a face coming off a bag a blow  
I'm like goddamn bitch I am not a Teen Choice  
Goddamn bitch I am not a bleach boy  
Whip game, make a nigga understand though  
Got that Hannibal, Silence of the Lambo  
Hit the gas so hard make it rotate  
All my niggas blew up like a propane  
All these RnB niggas be so lame  
Got a sweet Asian chick she go low mane[Chorus]  
You know man, you know man, you know man  
Everytime we try to forget who I am  
I'll be right there to remind you again  
You know man (pow! pow!), you know man[Verse 2]  
Said Im just tryna swim in something wetter than the ocean  
Faded off a double cup, I'm mixing up the potion  
All I wanna do is make that money and make dope shit  
It just seem like niggas tryna sound like all my old shit  
Everybody knows it, all these niggas know me  
Platinum off a mixtape, sipping on that codeine  
Pour it in my trophies, roll until my nose bleed  
Imma keep on singing while I'm burning up that OG  
All my niggas get it they make money all alone  
Wrap a chain around they neck, making sure I'm getting home  
When I travel 'round the globe, make a couple mil a show  
And I come back to my city, I fuck every girl I know  
Used to walk around with a slouch, had a mattress on the floor  
Now my shit straight  
Eating all day, tryna lose weight  
That good sex, we'll sweat it out  
Hotel bedsprings we'll wear it out  
I ain't gotta tell you cause[Chorus]

You know man, you know man  
You know man, you know man  
Everytime we try to forget who I am  
I'll be right there to remind you again  
You know man (pow! pow!), you know man[Bridge]  
Why don't you shake something, shake something  
For the Don, don't you break nothing, break nothing  
Big girl won't you work something, work something  
For the Don, don't you hurt nothing, hurt nothing  
Big girl won't you shake something, shake something  
For the Don, don't you break nothing, break nothing  
Baby girl won't you work something, work something  
For the Don, don't you hurt nothing, hurt nothing[Outro]  
Cause you know man, they know man  
You ain't know man, now you know man
