

# Certain People I Know

## Morrissey

I take the cue from  
Certain people I know  
I use the cue and then I  
Hand it on to you And when I swing it  
So, it catches his eye  
Weren't you there?  
You'd have died I trust the views of  
Certain people I know  
They look at danger  
And they laugh their heads off Their clothes are imitation  
George the 23rd  
Don't you find this absurd? I'd hate to be like  
Certain people I know  
They break their necks  
And can't afford to get them fixed They'd sacrifice all  
All their principles for  
Anything cashable  
I do believe it's terrible Ohh woh woh  
Ah ah ah ah  
Ohh woh woh  
Ah ah ah ah  
Ohh woh woh  
Ah ah ah ah
