Trap niggas on the map, trap niggas like to dab
Trap niggas in the bowl, trap niggas on the stove
Trap niggas worldwide, play with the pie with no eyes
Dabbin' goin' in the dictionary, birds sangin' just like Mary Mary
The bricks got wings like the tooth fairy, pinky ring yellow canary
Touch down on the pack and I run it like Barry
Migo like Ed, Edd and Eddy
You mad 'bout your homeboy, that's petty
Spray the chopper like confetti
Look at my dab, got me feelin' like I'm Fab
Look at my dab, spreadin' dab across the map
I'm dabbin' when I walk up in the trap
I look at the pot, I'm like get in there
I play with the water need swimwear
Look at my dab, get in there Look at my dab, dab
Look at my dab, bitch dab
Look at my dab, bitch dab
Look at my dab, bitch dab

Look at my dab, bitch dab
Look at my dab, bitch dab
Look at my dab, bitch dab

Look at my dabGet in there, get in there
Got me dabbin', Yung Rich Nation, yeah
Lookin' like I'm not from around here
Young nigga dabbin' out the atmosphere
You niggas still sayin' swag
My niggas switched it up we call it dab
Step out with a light up I call it jab
Michael Jordan I'm perfecting my craft
Money counter, count it up with my hands
Young nigga, I can show you how to do math
Sippin' and drinkin', I pour me some muddy
My nigga not tryin' to remember my past
Don't come to my hood if you ain't got a pass
Eat up the dab like linguini and crab
Mr. McMahon, I fire you and your staff
Watchin' you niggas dabbin' made me laugh
Dabbin' is a way of fashion
Touchdown like I'm Takeoff McFadden
Call a play like I'm Takeoff John Madden
She get a platinum plaque from all this dabbin'
You niggas should get a Grammy, the way you actin'
Enough of that swag I put it in a casket
Look at my dab, yo bitch droppin' her panties
I feel fantastic, immaculate dabbin'
Stay off my grass, call me Takeoff StanleyLook at my dab, dab
Look at my dab, bitch dab
Look at my dab, bitch dab
Look at my dab, bitch dab
Look at my dab, bitch dab
Look at my dab, bitch dab
Look at my dab, bitch dab

Get in there, get in there, bitch dab
Get in there, get in there, bitch dab
Get in there, get in there, bitch dab
Get in there, get in there, bitch dab

Look at my dab So now niggas dabbin'
Before it was swaggin'
Nigga thinkin' that it's just a dance
When dabbin' is a way of fashion
See I'm tryin' to teach y'all the rules and regulations
Cause there's a lot of niggas out here perpetrating
No temptations, Migos sensation
Seen a lot of faces, why not make a Young Rich Nation
