

For the First Time (From "One Fine Day")

Kenny Loggins

Are those your eyes?
Is that your smile?
I've been lookin at you forever
Yet I never saw you before Are these your hands
Holdin' mine?
Now I wonder how
I could've been so blind For the first time
I am looking in your eyes
For the first time
I've seen who you are I can't believe how much I see
When you're lookin back at me
Now I understand what love is
Love is for the first time Can this be real?
Can this be true?
Am I the person I was this morning?
And are you the same you? It's all so strange
How can it be?
All along this love
Was right in front of me For the first time
I am looking in your eyes
For the first time
Im seein' who you are I can't believe how much I see
When you're lookin back at me
Now I understand what love is
Love is for the first time Such a long time ago
I had given up on findin'
This emotion ever again But you're here with me now
Yes, I've found you some how
And I've never been so sure And for the first time
I am looking in your eyes
For the first time
Im seein' who you are I can't believe how much I see
When you're lookin back at me
Now I understand what love is
Love is for the first time
