

# Judgement of Heaven (2015 Remastered Version)

## Iron Maiden

A lonely cry for help reaching out for help to anyone  
A silent prayer to God to help you on your way  
I've been depressed so long  
It's hard to remember when I was happy  
I've felt like suicide a dozen times or more  
But that's the easy way, that's the selfish way  
the hardest part is to get on with your life You're searching in the dark  
clutching at straws to find a way  
You take the Tarot cards and throw them to the wind Your questions your beliefs,  
your inner thoughts, your whole existence  
And if there is a God then answer if you will  
And tell me of my fate, tell me of my place  
Tell me if I'll ever rest in peace If you could live your life again  
Would you change a thing or leave all the same  
If you had the chance again  
Would you change a thing at all  
When you look back at your past  
Can you say that you are proud of what we've done  
Are there times when you believe  
That the right you thought was wrong
