

# Humanoid (German Version) [Live]

## Tokio Hotel

Against the love  
Against the faith  
Against the sun  
Against the night Against the rules  
Against the force  
Against the wall  
Against it all Oh no  
I'm humanoid (oh whoa oh)  
I'm humanoid (oh whoa oh) Give me life  
Give me air  
Or I'll be done  
But I don't care I hunt my shadow  
But it's too fast Give me more  
Give me more  
Can't get enough I'm humanoid (oh whoa oh)  
I'm humanoid (oh whoa oh)  
I'm humanoid (make it better)  
I'm humanoid (won't you come back?)  
Take me away  
Relieve the pain I've dug myself in too many holes  
Foolish and I know  
Loneliness hurts Hold me  
I'm drowning  
Hold me I'm done with senses  
I'm done with reasons  
I'm done with questions  
I'm done with feeling  
Done with bleeding Oh no I'm humanoid (oh whoa oh)  
I'm humanoid (oh whoa oh)  
I'm humanoid (make it better)  
I'm humanoid (won't you come back?)  
Take me away  
Relieve the pain Doh-don't hurt me  
Don't say  
Tomorrow (tomorrow) I've dug myself in too many holes  
Foolish and I know  
Loneliness hurts  
Help me  
I'm drowning

Hold me Give something, I can feel it  
Show me something, I can see Help me  
(I'm drowning)  
Help me Against the love  
Against the faith  
Against the wall  
Against it all
