

Fool Again

[Westlife\(èÿ;âÿŽç”·â-©\)](#)

Baby, I know the story,
I've seen the picture,
It's written all over your face
Tell me, what's the secret that you've been hiding?
And who's gonna take my place?
I should have seen it coming,
I should have read the signs
Anyway, I guess it's over
Can't believe that I'm a fool again
I thought this love would never end,
How was I to know?
You never told me
Can't believe that I'm a fool again,
And I who thought you were my friend,
How was I to know?
You never told me
Baby, you should've called me,
When you were lonely,
When you needed me to be there
Sadly, you never gave me
Too many chances to show you
How much I care
Ooh, should have seen it coming,
I should have read the signs
Anyway, I guess it's over
Can't believe that I'm a fool again
I thought this love would never end,
How was I to know?
You never told me
Can't believe that I'm a fool again,
And I who thought you were my friend,
How was I to know?
You never told me
About the pain and the tears
Ooh, If I could,
I would, turn back the time
Ooh yeah I should have seen it coming
I should have read the signs
Anyway, I guess it's over
Can't believe that I'm a fool again
I thought this love would never end,
How was I to know?
You never told me
Can't believe that I'm a fool again,

And I who thought you were my friend,
How was I to know?
You never told me
