

You

Q-Tip

Wait, at the end of it all it's you
And at the end of it all it's you
And at the end it's you At the end of it all it's you
It's you, it's you
At the end of it all it's you
It's you, it's you
At the end of it all Lookin' for how I see her
When I finally realized, couldn't believe it
I couldn't even swallow
Had a lump in my throat, my stomach hollow I had a notion that things were fishy
But everythin' was fine so why be pissy
But when you wasn't seein' me nights you get it in
That's when the snoopin' and shit it would begin Where you at? Where you goin'?
That's what I get when I pick up the phone
Not a hello or I miss you
Or the renaissance, how does it do? Suspicious ones, go few
Can stress out your brain, it weighs on you man
And helps your peep game
I thought it was me but then I could see It was you, it's you
At the end of it all it was you
And at the end, it was you
At the end of it all it was you And at the end
It's you, it's you
At the end of it all it's you
It's you, it's you
At the end of it all I couldn't take it but the spell of love I couldn't shake it
Even though I would discover
That there was somebody else
It was your lover You gave me up and managed to turn the tables
And all your honest words, they turn to fables
The things that you would accuse me of
It seems were the things you were doin' love Get it? These things you projected
And I don't want to be affected
But when you get in love
It's never easy in love to make decisions of You've defected
You were doin' so much to try to pin me
Goin' through all my stuff, but it was empty
Answers that I'm seekin'
Well, it seem I'm gettin' close that I'm reachin' And I was thinkin', I had no reason

Callin' you a culprit, it was treason
And the twinkle in your eye
It was kinda not for love and tell me why? We'll make amends if you admit it
We can ascend if you're committed
Your heart, is it in it? If it goes for many days
Sweet love can decay for you It's you
At the end of it all it was you
And at the end it was you
At the end of it all it was you And at the end
It's you, it's you
At the end of it all, it's you
It's you, it's you
At the end of it all
