

# You

## Q-Tip

Wait, at the end of it all it's you  
And at the end of it all it's you  
And at the end it's you At the end of it all it's you  
It's you, it's you  
At the end of it all it's you  
It's you, it's you  
At the end of it all Lookin' for how I see her  
When I finally realized, couldn't believe it  
I couldn't even swallow  
Had a lump in my throat, my stomach hollow I had a notion that things were fishy  
But everythin' was fine so why be pissy  
But when you wasn't seein' me nights you get it in  
That's when the snoopin' and shit it would begin Where you at? Where you goin'?  
That's what I get when I pick up the phone  
Not a hello or I miss you  
Or the renaissance, how does it do? Suspicious ones, go few  
Can stress out your brain, it weighs on you man  
And helps your peep game  
I thought it was me but then I could see It was you, it's you  
At the end of it all it was you  
And at the end, it was you  
At the end of it all it was you And at the end  
It's you, it's you  
At the end of it all it's you  
It's you, it's you  
At the end of it all I couldn't take it but the spell of love I couldn't shake it  
Even though I would discover  
That there was somebody else  
It was your lover You gave me up and managed to turn the tables  
And all your honest words, they turn to fables  
The things that you would accuse me of  
It seems were the things you were doin' love Get it? These things you projected  
And I don't want to be affected  
But when you get in love  
It's never easy in love to make decisions of You've defected  
You were doin' so much to try to pin me  
Goin' through all my stuff, but it was empty  
Answers that I'm seekin'  
Well, it seem I'm gettin' close that I'm reachin' And I was thinkin', I had no reason

Callin' you a culprit, it was treason  
And the twinkle in your eye  
It was kinda not for love and tell me why? We'll make amends if you admit it  
We can ascend if you're committed  
Your heart, is it in it? If it goes for many days  
Sweet love can decay for you It's you  
At the end of it all it was you  
And at the end it was you  
At the end of it all it was you And at the end  
It's you, it's you  
At the end of it all, it's you  
It's you, it's you  
At the end of it all
