Lean on You

Caveman

Woah, Woah, woah
it's the way I am, just take a moment to believe you're there
You've got an answer to everything I said but you don't want to be loved
Leave you out
Someone tells you now
Leave you outWoah woah woahJust a thrill I had
some foolish notion could believe your then
Is there an answer for anything I said
Cuz u don't wanna be loved
Leave you out
And soooo. Gonna lean on you
ye soooo. Gonna lean on youWoah woah woah
Just a broken man, you had the city sitting in you hand
Is there a reason you took that sense
Cuz you don't want to be loved
Gonna leave you out
Ahhh
Gonna lean on you
And so gonna lean on you
And so gonna lean on you
Woah...
