Time To Go

Francis Wolf

Time To Go

As The Morning Breaks
I Sit All Alone
As The Dawn Light Creeps
On The Bedroom Floor
My Neighbour Wakes
It's Dawn Once More
Any Moment Now
It's Time To Go
It's Time To Go

So My Bags Are Packed
And We're Ready To Go
Like The Cliched Song
That We All Know
Thanks For All The Fish
I'll Be Back For More
Any Moment Now
It's Time To Go
It's Time To Go

This Time
Is The Right Time
It's A Good Time
Good Time To Go

Maybe We Didn't Do Everything We Wanted
Maybe We Ran Out Of Time
But That's Okay
I Enjoyed The Last Few Days
It Wasn't Perfect But That's Fine
