

My Foolish Heart

Rod Stewart

The night is like a lovely tune
Beware, my foolish heart
How wise the ever constant moon
Take care, my foolish heart There's a line between love and fascination
That's so hard to see on an evening such as this
For they both give the very same sensation
When you're lost in the passion of a kiss Oh, her lips are much too close to mine
Beware, my foolish heart
But should our eager lips combine
Then let the fire start For this time it isn't fascination
Or a dream that will fade and fall apart
It's love this time
It's love, my foolish heart There's a line between love and fascination
That's so hard to see on an evening such as this
For they both give the very same sensation
When you're lost in the passion of a kiss, oh yeah Her lips are much too close to mine
Beware, my foolish heart
But should our eager lips combine
Then let the fire start For this time it isn't fascination
Or a dream that will fade and fall apart
It's love this time
It's love, my foolish heart It's love this time
It's love, my foolish heart
