

# He's Gonna Step on You Again

John Kongos

Hey rainmaker come away  
from that man you know  
he's gonna take away your promised land.  
Hey good lady he just want what you got  
you know he'll never stop  
until he's taken the lot. Gonna stamp out your fire he can change your desire don't you know that he can make  
you forget you're a man gonna stamp out your fire he can change your desire don't you know that he can make  
you forget you're a man you're a man. He's a man.  
He's gonna step on you again.  
He's gonna step on you again.  
He's gonna step on you again.  
He's gonna step on you again. Hey rainmaker he got golden plans  
I tell you he make you  
a stranger in your land.  
Hey good lady he got God on his side  
he got a double tongue  
you never think that he lie. Gonna stamp out... Hey rainmaker come away  
from that man you know  
he's gonna take away your promised land.  
Hey good lady he got God on his side  
he got a double tongue  
you never think that he lie
