

# Without You

Billy Ray Cyrus

I hear your footsteps down the hall  
I check my messages but I don't hear you call  
I think of days gone by  
And now I wonder why you left me  
But I can't go on without you  
Without you  
Sometimes I wander on my way  
Sometimes I just break down and pray  
Sometimes I think of you  
And I don't know what to do and I wonder  
How I will go on without you?  
How I will go on without your love?  
Without you  
No, I can't go on without you, without you  
I can't stop missin' you  
Oh, if I only knew, do you miss me?  
'Cause I can't go on without you  
I can't go on without you  
I can't go on without your love  
Without you  
No, I can't go on without you  
No, I can't go on without you  
Oh no, no, no, no  
I hear your footsteps down the hall  
I check my messages  
But I don't hear you call  
And once again, I'm all alone  
Without you  
No, I can't go on without you  
No, I can't go on without you  
No, I can't go on without you  
No. I can't go on without you  
No. I can't go on without you
