

Happy Ending (feat. Elaine Caswell)

Joe Jackson

I'm in a movie where boy meets girl
What happens to me in this brave new world?

Do I listen to my heart, do I listen to my head?
Do I look at what I see or remember what I read?
When I tell you how I feel do I wonder what I've said?
Is there nothing we can do about it?

Anyone, anyone can be so hard hearted
But everyone, still everybody wants a happy ending
La la la la la
La la la la la la

It's not so easy, it's '84 now
How tough must we be to ask for more now?

Do I listen to my head, do I listen to my heart?
Do I try to feel the same as I feel when we're apart?
Do I think about the end when it's only just the start?
Is there nothing we can do about it?

Anyone, anyone can be so hard hearted
But everyone, still everybody wants a happy ending
La la la la la
La la la la la la

I get so scared when I see the evidence against our case
Each movie so far this year ends up with someone crying
Or even someone dying

Do I listen to my head, do I listen to my heart?
Do I try to feel the same as I feel when we're apart?
Do I think about the end when it's only just the start?
Is there nothing we can do about it?

Anyone, anyone can be so hard hearted
But everyone, still everybody wants a happy ending
La la la la la
La la la la la

La la la la la la
