

Nothing's Gonna Stop Us Now

Jefferson Starship

Looking in your eyes I see a paradise
This world that I've found is too good to be true
Standing here beside you, want so much to give you
This love in my heart that I'm feeling for you
Let 'em say we're crazy, I don't care about that
Put your hand in my hand baby, don't ever look back
Let the world around us just fall apart
Baby, we can make it if we're heart to heart
And we can build this thing together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us now
I'm so glad I found you, I'm not gonna lose you
Whatever it takes I will stay here with you
Take it to the good times, see you through the bad times
Whatever it takes, here's what I'm gonna do
Let 'em say we're crazy, what do they know
Put your arms around me baby, don't ever let go
Let the world around us just fall apart
Baby, we can make it if we're heart to heart
And we can build this thing together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us
Ooh, all that I need is you
All that I ever need
And all that I want to do
Is hold you forever, ever and ever
And we can build this thing together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us
And we can build this thing together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
And we can build this thing together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
And we can build this thing together

Standing strong forever
Nothing's gonna stop us now
