

# Safe Inside

James Arthur

I remember when you were all mine  
Watched you changing in front of my eyes  
What can I say?  
Now that I'm not the fire in the cold  
Now that I'm not the hand that you hold  
As you're walking away Will you call me to tell me you're alright?  
'Cause I worry about you the whole night  
Don't repeat my mistakes, I won't sleep 'til you're safe inside  
If you're home I just hope that you're sober  
Is it time to let go now you're older?  
Don't leave me this way, I won't sleep 'til you're safe inside Everyone has to find their own way  
And I'm sure things will work out okay  
I wish that was the truth  
All we know is the sun will rise  
Thank your lucky stars that you're alive  
It's a beautiful life Oh, will you call me to tell me you're alright?  
'Cause I worry about you the whole night  
Don't repeat my mistakes, I won't sleep 'til you're safe inside  
If you're home I just hope that you're sober  
Is it time to let go now you're older?  
Don't leave me this way, I won't sleep 'til you're safe inside If you make the same mistakes, I will love you  
either way  
All I know is I can't live without you  
There is nothing I can say that will change you anyway  
Darling, I could never live without you  
I can't live, I can't live, no, no Oh, will you call me to tell me you're alright?  
'Cause I worry about you the whole night  
Don't make my mistakes, I won't sleep, I won't sleep  
If you're home I just hope that you're sober  
Is it time to let go now you're older?  
Don't leave me this way, I won't sleep 'til you're safe inside Will you call me to tell me you're alright  
'Cause I worry about you
