

Maui Tears

Sleepy Sun

Love is not a heart ache
But a heavenly prison
Rule with the righteous
Go as the tide flows in and out.
Guns is ineffective
Beyond the dreamer on the ground
minds wont fail to ruin
All but the courage to find outIf its you, that's shining down
your pride is cold uplift your crown
you'll save us all from a fated drown
In Maui Tears.Guns is ineffective
Beyond the dreamer on the ground
Minds won't fail to ruin
All but the courage to find outIf it's you, you'll shine down
Your pride is cold uplift your crown
You'll save us all from a fated drown
In Maui Tears
