Sadistic Embodiment

Cannibal Corpse

A sharpened sense of supreme evil
Triggered in the mind
A gruesome transformation of the body
And the soul
A dreaded life of worthlessness
Now has a new meaning
Wreak havoc like a vile wretch
Possessed until the endAnger
Released
Torture
ReturningSadistic embodiment
Sadistic embodimentSpreading the corruption
Flowing is destruction
To obliterate all that is good this worldA sharpened knife to butcher people
Sitting in the hand
For gruesome transformations of
The body and the soul
Their dreaded lives of worthlessness
Will have a new meaning
Wreak havoc on a vile wretch
Dissected until deadAnger
Released
Torture
ReturningSadistic embodiment
Sadistic embodimentSpreading the corruption
Flowing is destruction
To obliterate all that is good in this worldYou were in the wayThe mutilation leads to death
Existence now irrelevant
Never will be in the way againThe mutilation leads to death
Existence now irrelevant
Never will be in the way again[Solo: O'Brien]Vicious

Released
